

A fast and easy way to manage your health

24/7 healthcare at your fingertips
whenever, wherever

Your healthcare, on your terms

Fast, convenient, and personal to you

Like most things in life, health issues happen when you least expect them and fitting in time to see a medical professional into your already busy schedule, can sometimes be tricky.

As a private online healthcare service Doctor Care Anywhere puts healthcare in your hands, in a way that's designed to suit you. From health advice and care when you need it most, to the tools to look after your mental health and wellbeing - Doctor Care Anywhere is available whenever and wherever.

Conveniently access appointments with a healthcare professional
24/7, 365 days a year from wherever you are in the world

Take control of your health journey

Our network of healthcare professionals are available to give you medical advice, answer your questions and give you peace of mind, when you need it.

Advanced Clinical Practitioners – *giving you the choice, control, convenience and care you need*

Our team of Advanced Clinical Practitioners (ACPs) are all highly qualified healthcare professionals and can help with a wide variety of health concerns and are your 'go-to' if you have a minor ailment or a flare up of illness.

Advanced Clinical Practitioners appointments are available 8am to 8pm, Monday to Sunday - including public holidays.

What can our Advanced Clinical Practitioners do?

- ✓ Assess your condition.
- ✓ Diagnose and treat your symptoms, including issuing prescriptions.
- ✓ Plan any follow up treatment that is needed.
- ✓ If needed they can also refer you for further treatment.

A GP appointment, without visiting the waiting room.

You can choose the doctor you would like to speak with by video, or phone, at a time that fits into your schedule.

There is no need to de-register from your NHS GP, as Doctor Care Anywhere works seamlessly alongside it and with your permission your notes can be shared with your usual doctor.
