

How To Manage Your Profile

1. Click on the 3 lines in the top right corner.

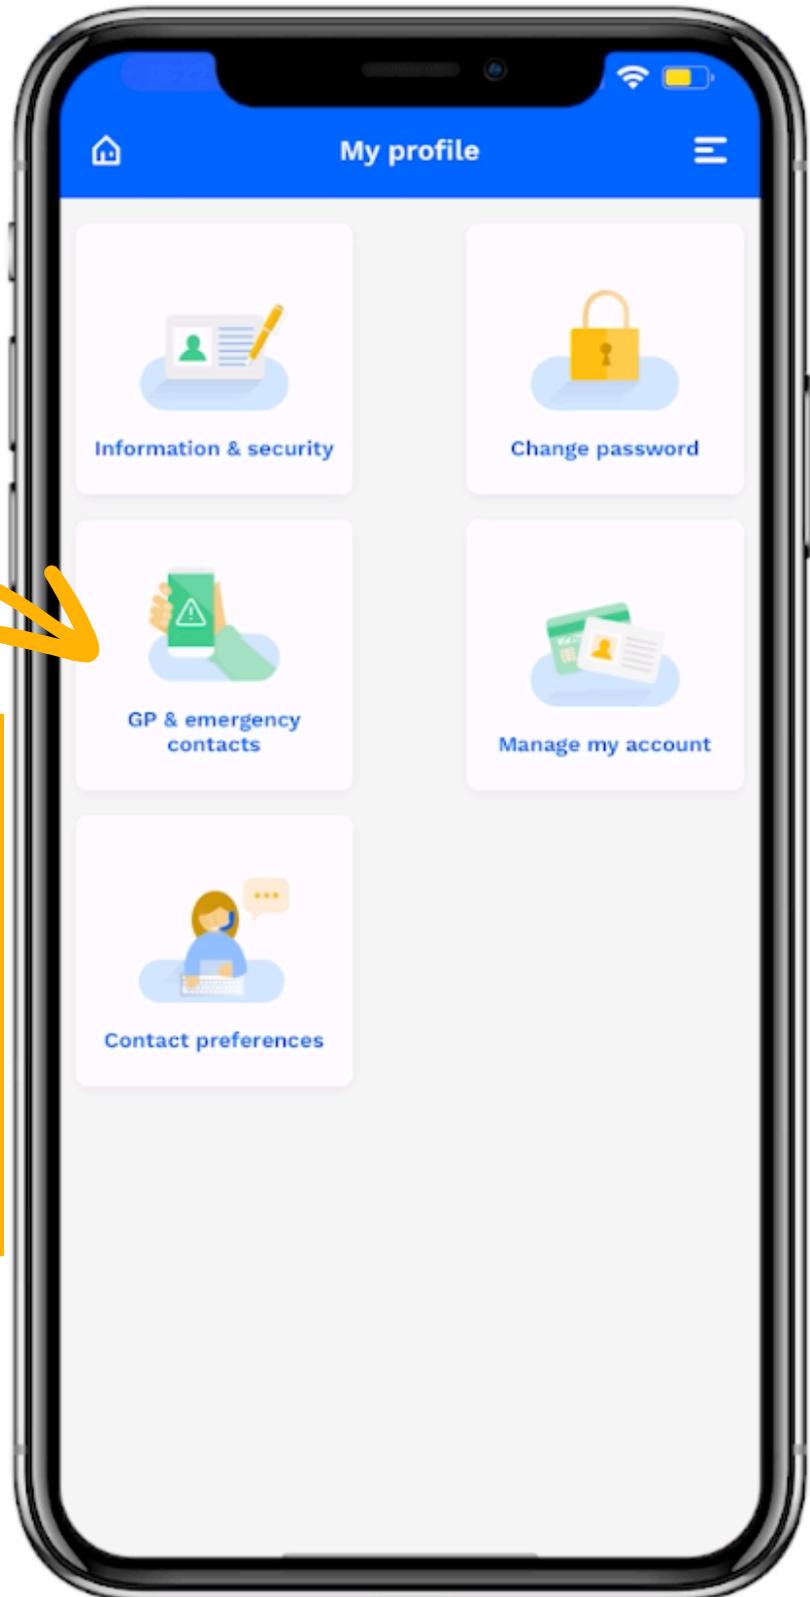

2. Select 'My profile'.

 **My profile**

3. Select 'GP & emergency contacts'.

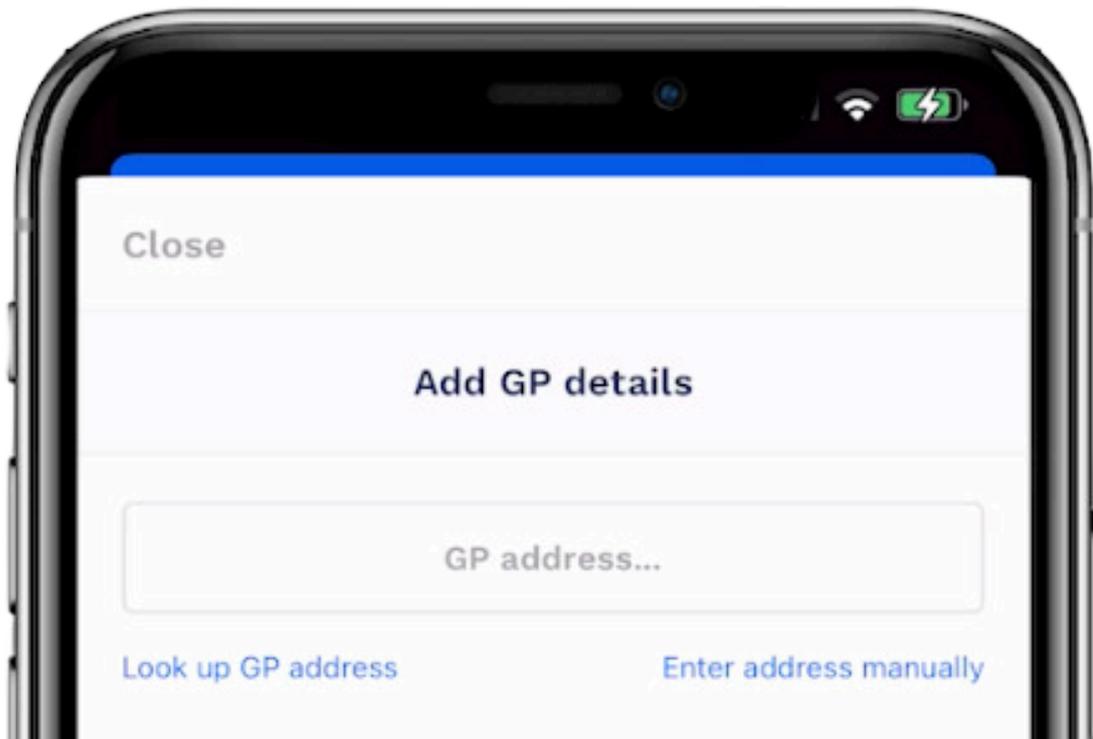

**GP & emergency
contacts**

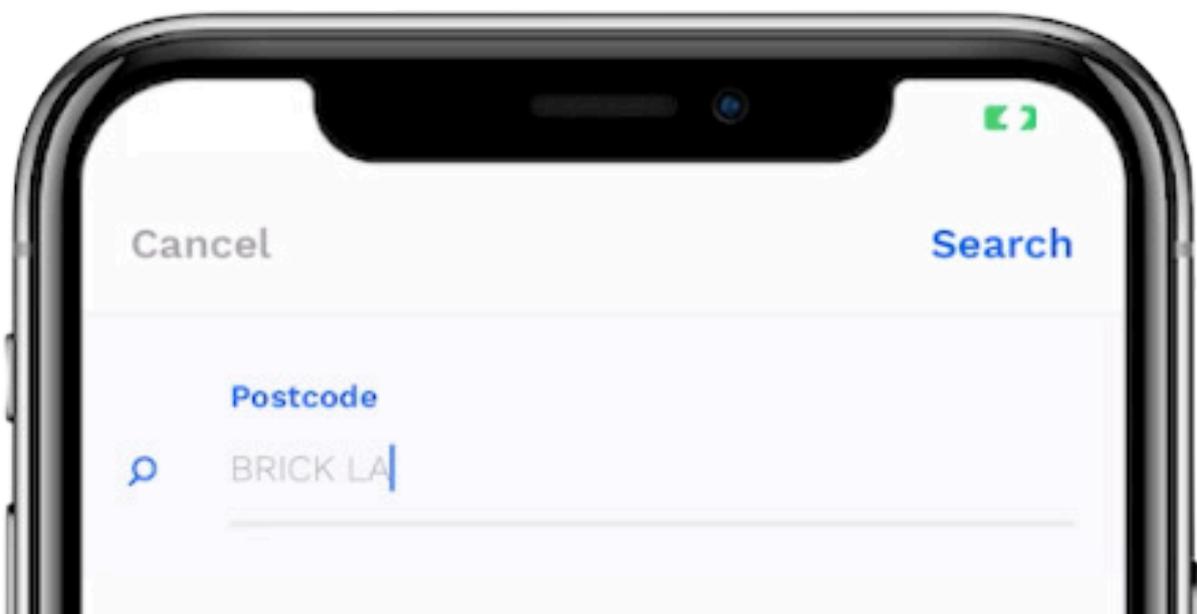

4. Click on the 'Add your GP surgery' button.

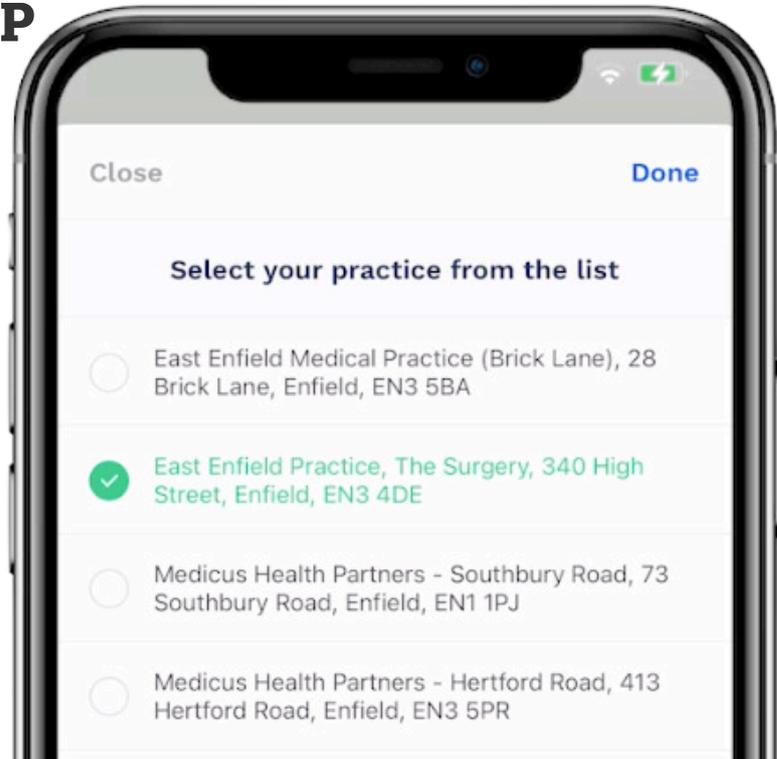

5. Click on the 'GP address' button.

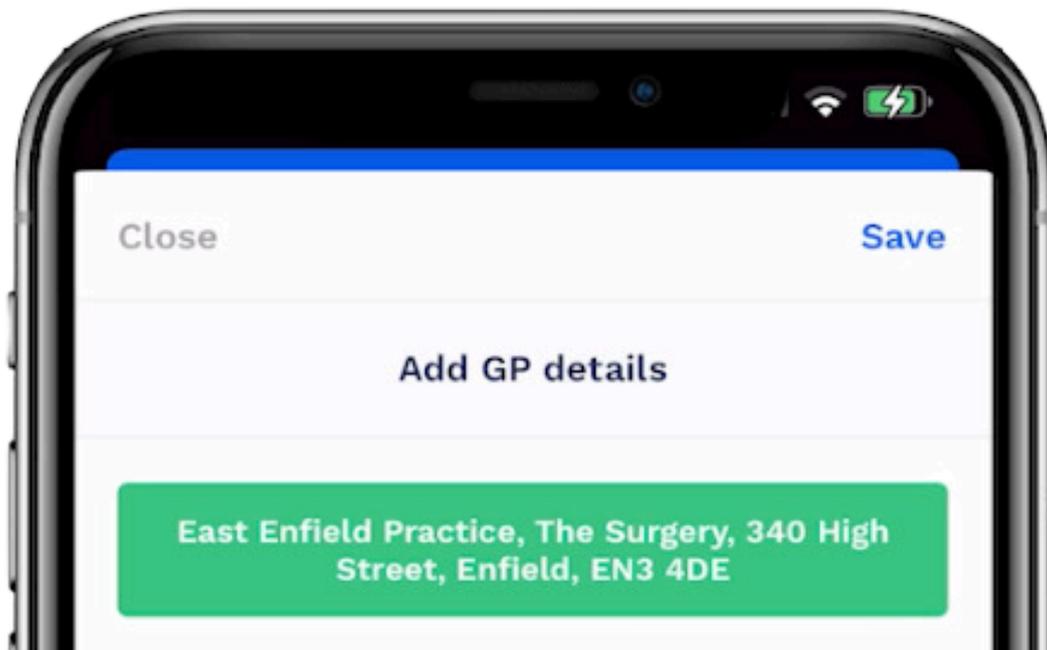

6. Search for your GP.

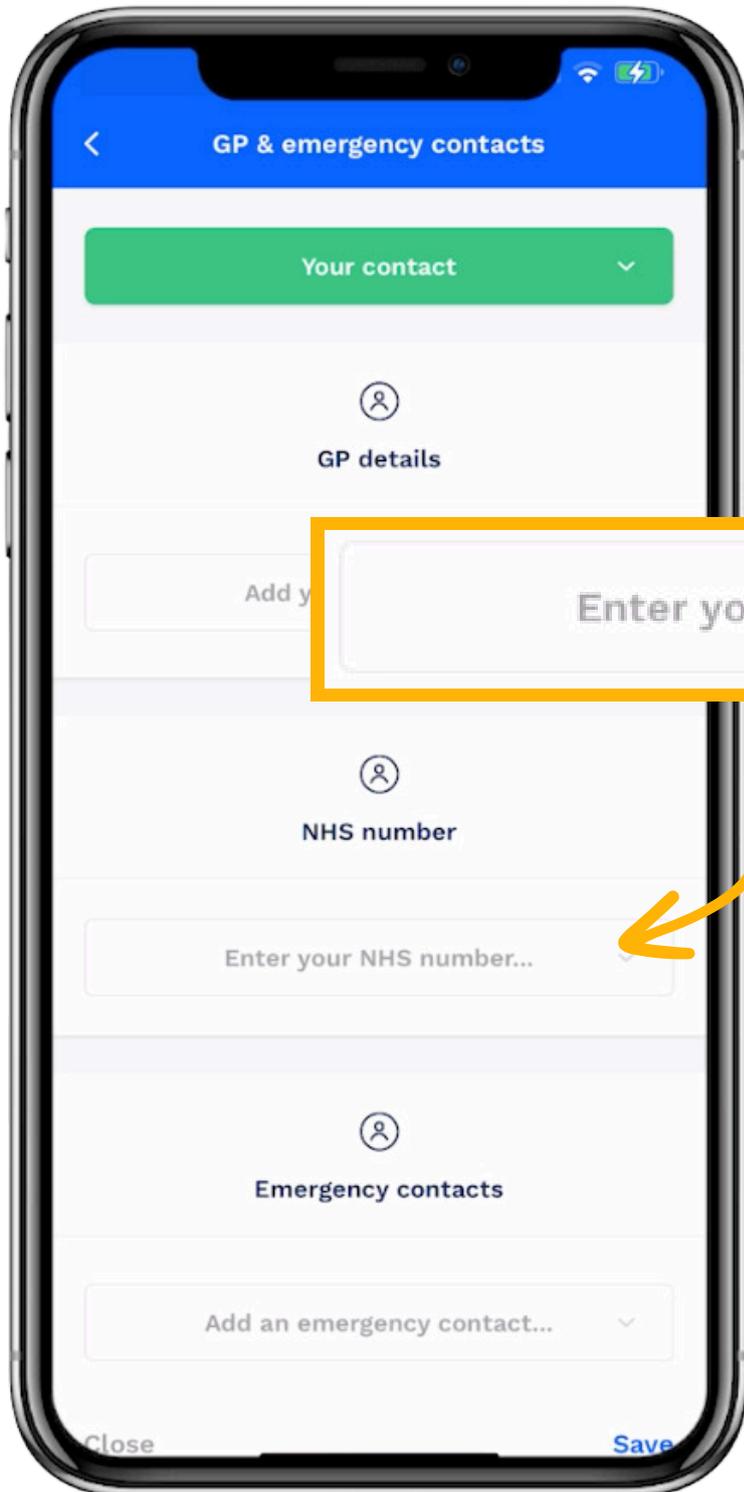

7. Choose your GP accordingly and click 'Done' once ready.

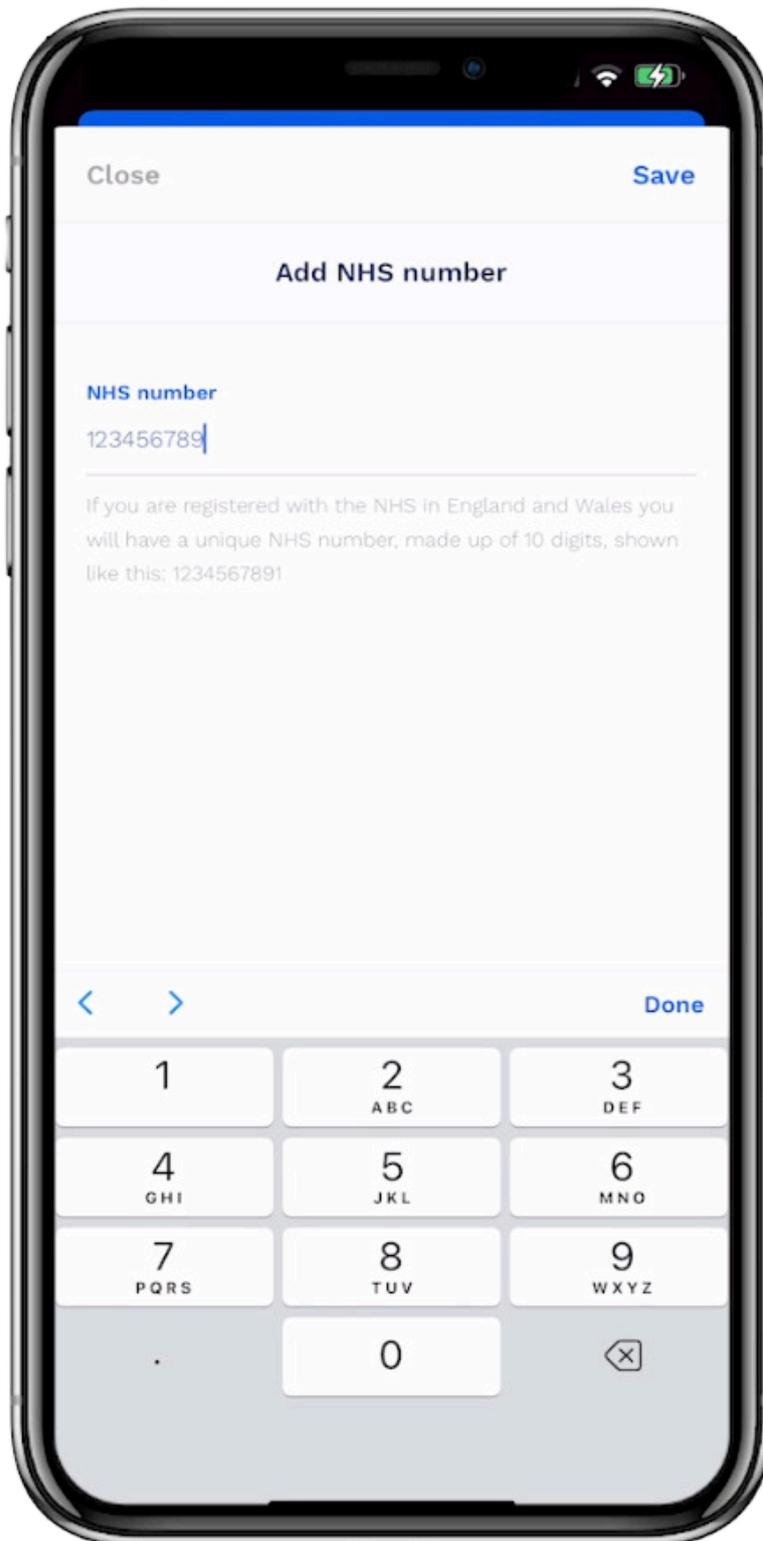

8. Click on the 'Save' button.

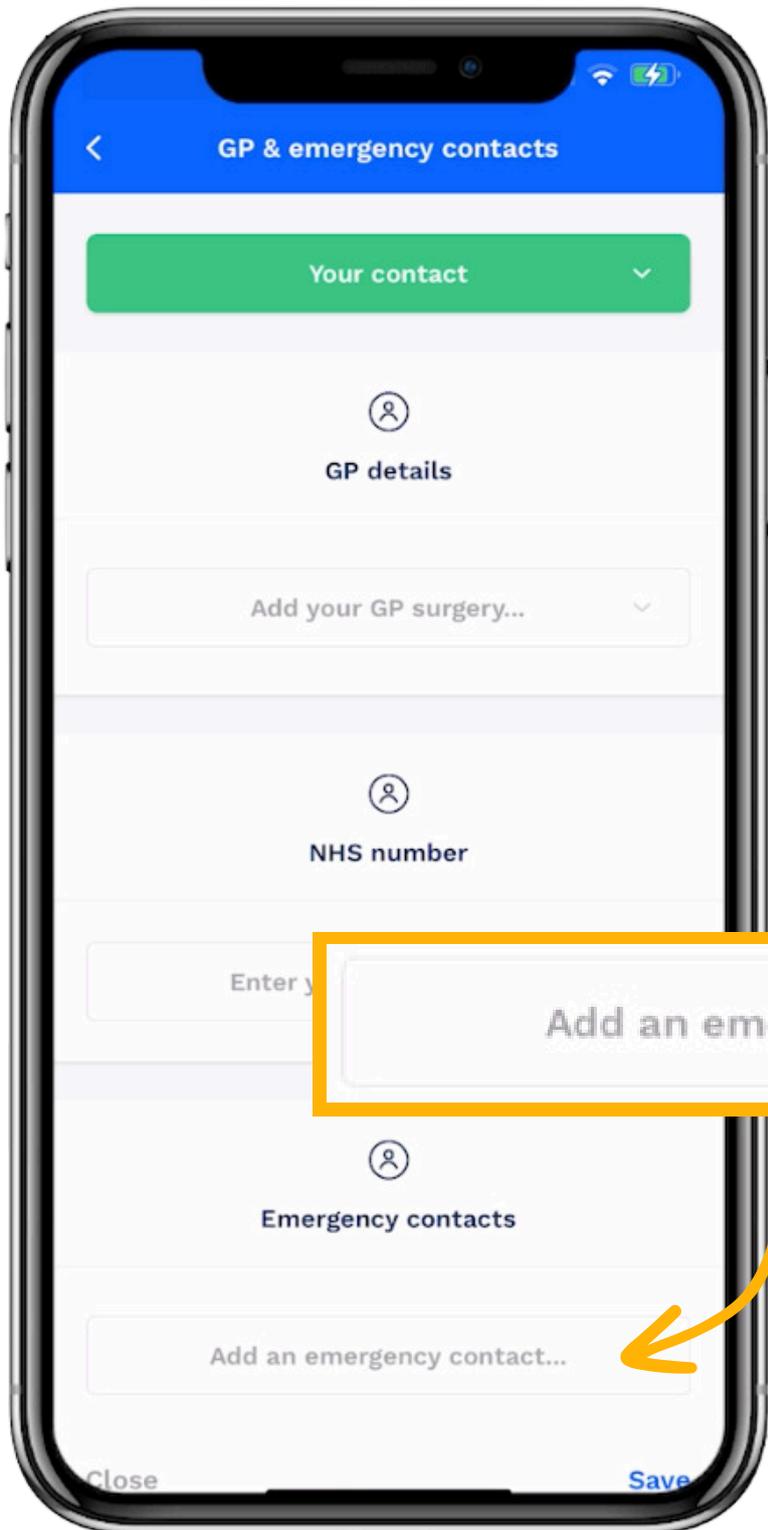

9. Click on the 'Enter your NHS number' button.

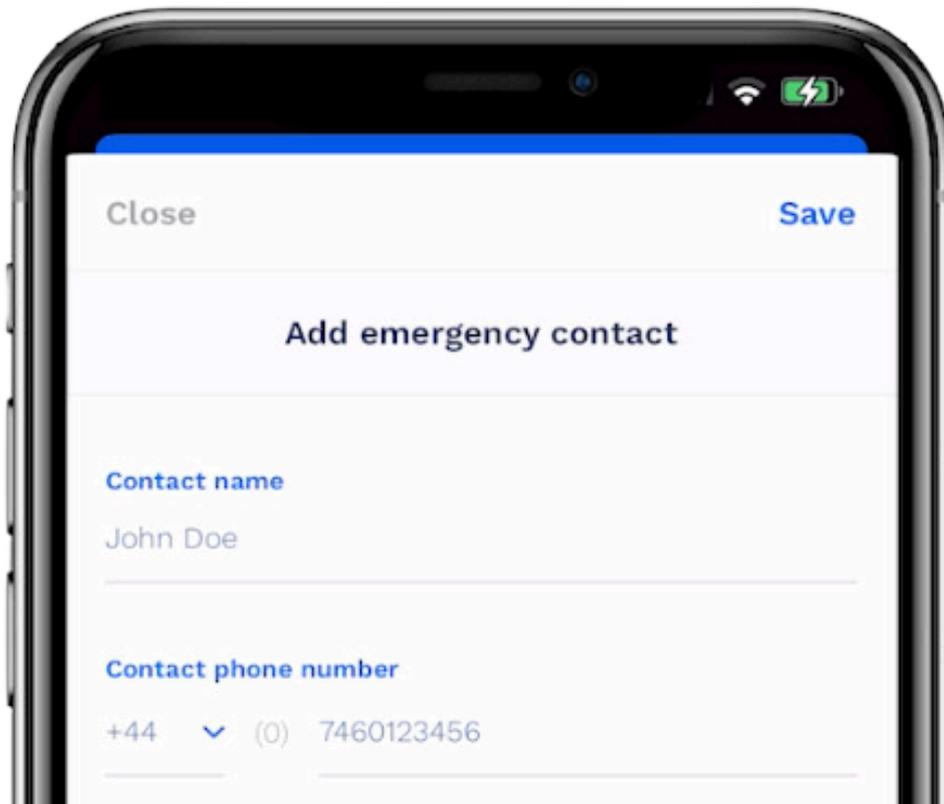

10. Enter your NHS number and click 'Save' once done.

11. Click on the 'Add an emergency contact' button.

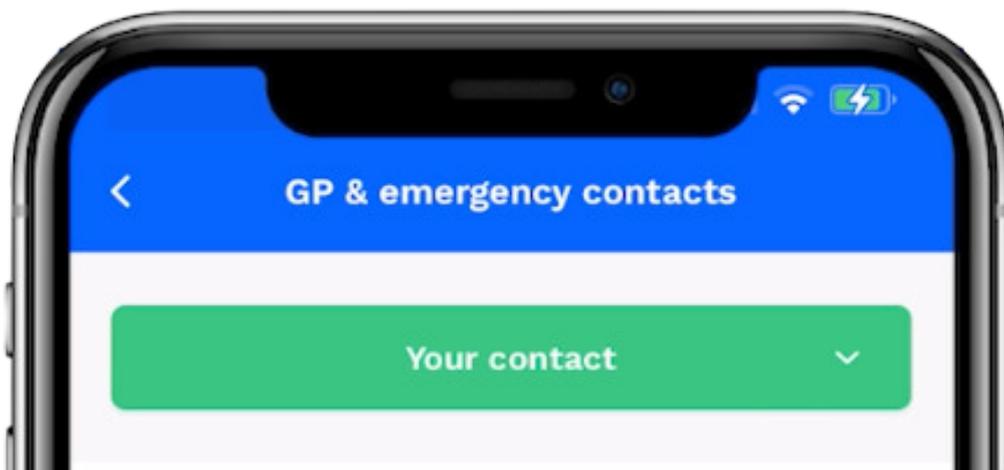

12. Enter your emergency contact details and click 'Save' once done.

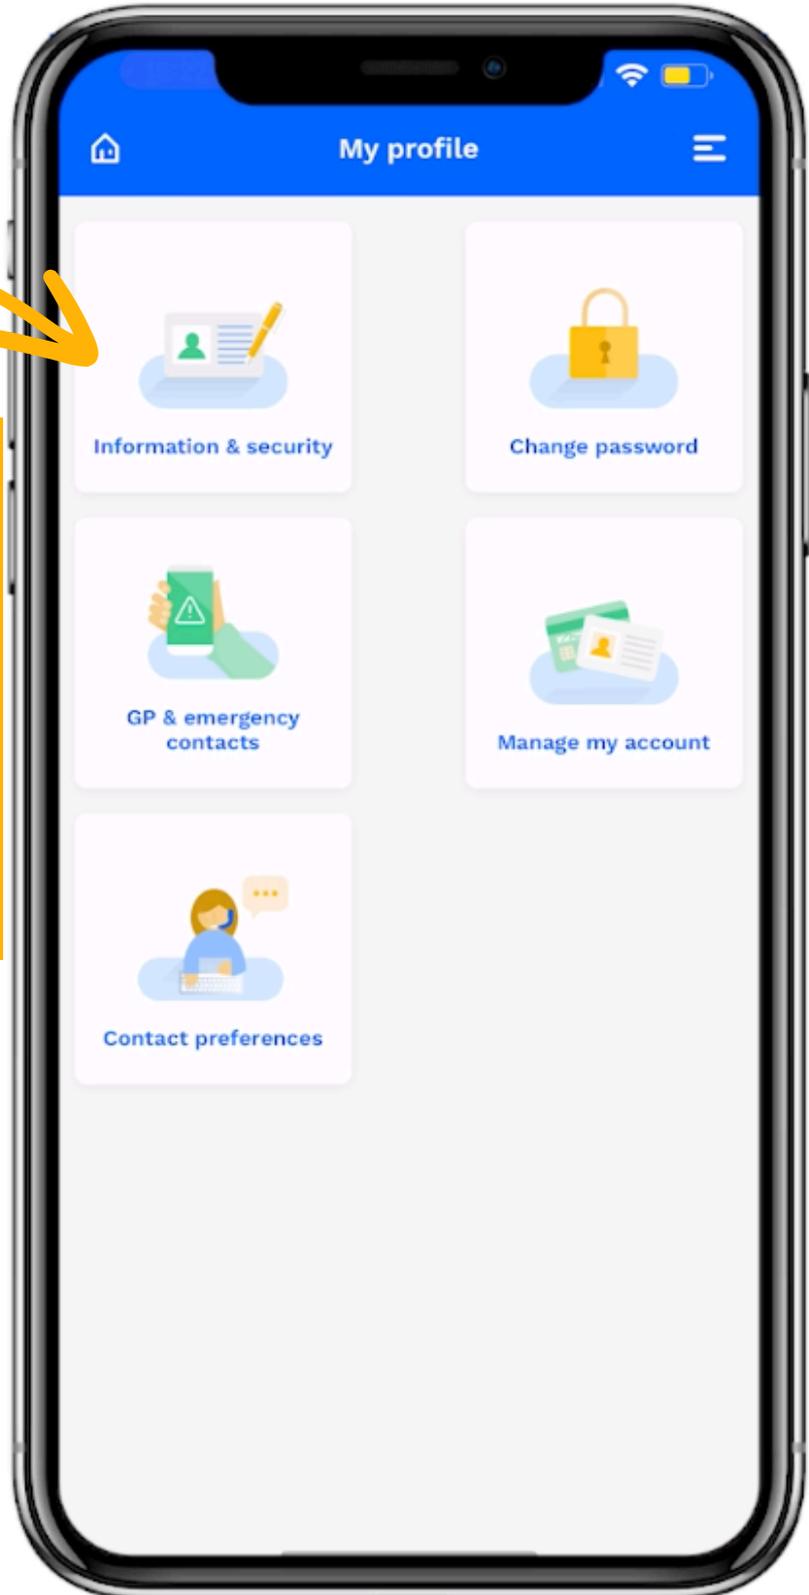

The image shows a smartphone screen with a white background and a blue header. The header contains a 'Close' button on the left and a 'Save' button on the right. The main title is 'Add emergency contact'. Below this, there are two input fields. The first is labeled 'Contact name' and contains the text 'John Doe'. The second is labeled 'Contact phone number' and contains the text '+44 (0) 7460123456'. The phone's status bar at the top shows signal strength, Wi-Fi, and battery icons.

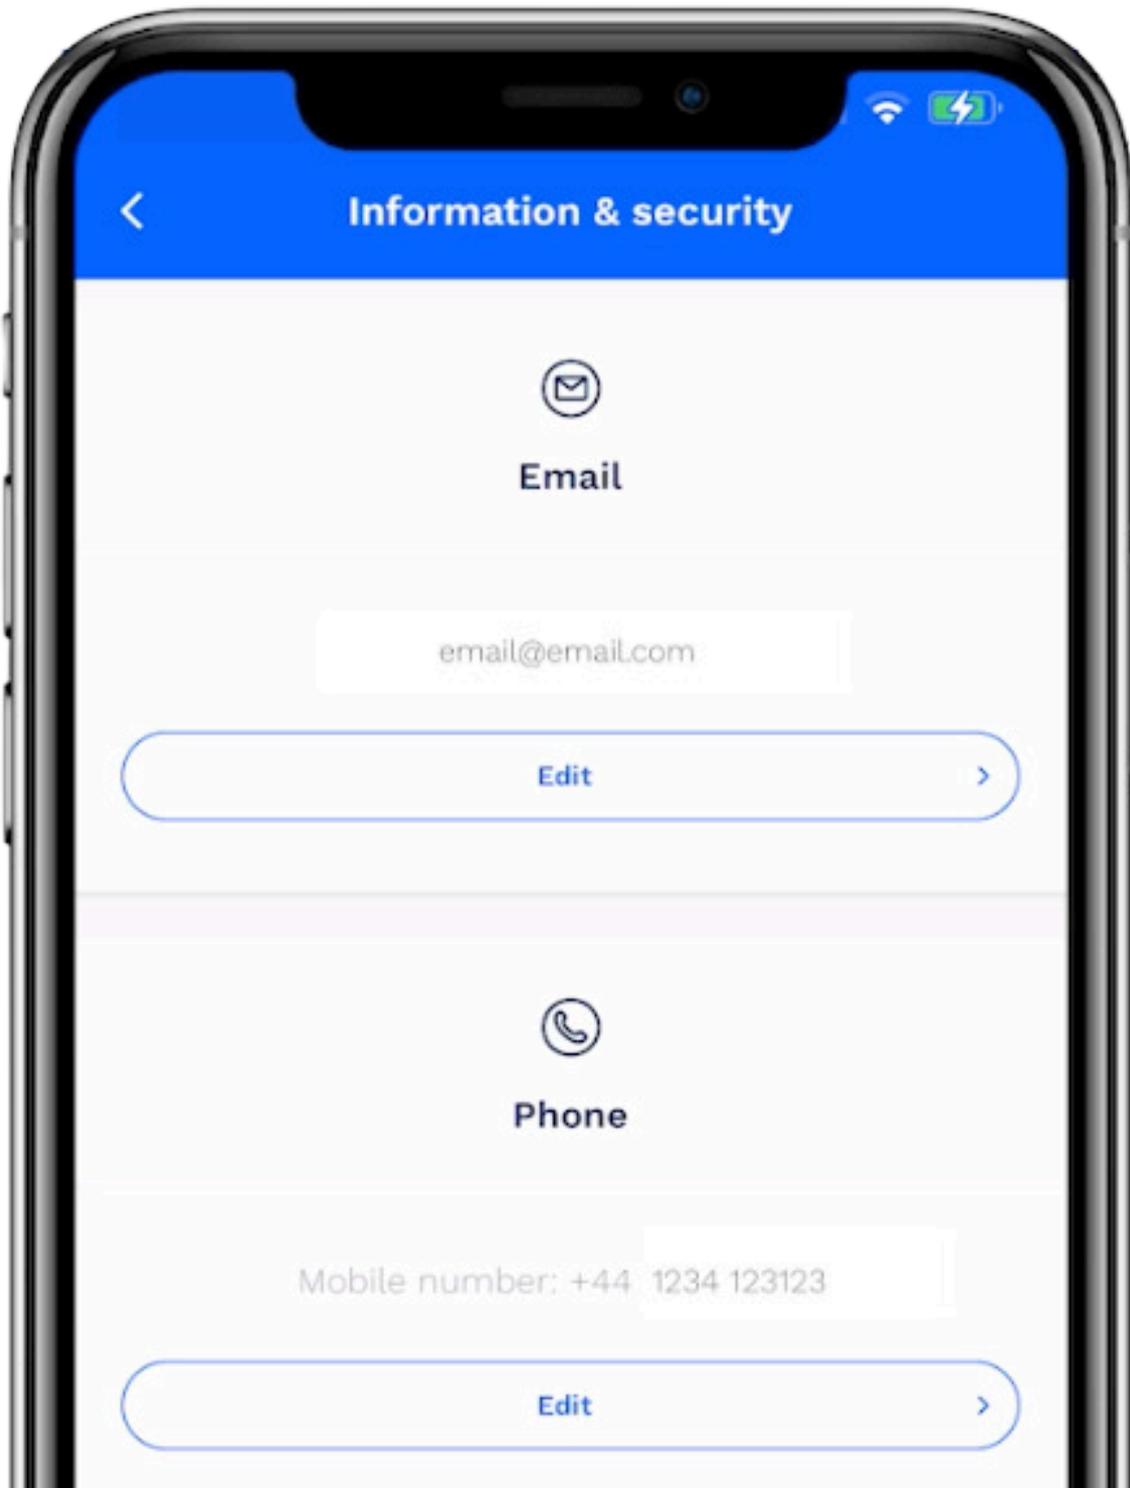

13. Click the arrow in the top left corner and return to your 'My profile' page.

14. Select 'Information & security'.

15. Click on the 'Edit' button to edit your email and mobile number.

16. Click on the 'Edit' button to edit your home address.
